

# Opening to Love

## A day of circle dance with June Watts

It's early Spring, the birds are mating, the water level in the earth rising, the sun's fire coming through, the cycle of fertility beginning once again. It is the season of love and flow and expansion from Winter.

The theme running through the dances for the day is Love - expanding and opening to live the love that we are.

11 a.m. to 5 p.m. Saturday 16 February 2008  
St. Benedict's Hall, Garforth, Leeds 25

£25 – book with £10 deposit to:

Sylvia Williment  
148 Coal Road, Leeds, LS14 2DQ

bring vegetarian food for a shared lunch
